

**Bulk Material Handling and Feeding Solutions**

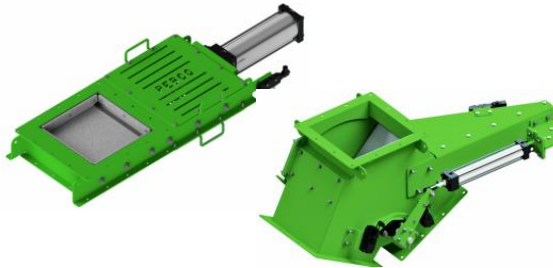

**Feeding Technology**

- Volumetric feeders
- Gravimetric feeders
- Weigh belt feeders
- Liquid feeders
- Strand pelletizers

**Pneumatic Conveying**

- Continuous systems
- Vacuum sequencing
- Rotary valves
- Filter receivers
- Hopper & bins
- Dilute & dense phase

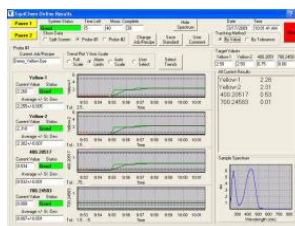

- Slide gates
- Rolling blade gates
- Diverters - single, double, bucket, basket,...
- Dustless loading spouts & chutes
- Clamshell single & duplex gates
- Fluidized conveyors
- Dust suppression

- Bucket elevators
- Sanitary, closed conveyors
- Sanitary belt conveyors
- Bulk bag handling

- Welded silos
- Storage tanks
- Hoppers
- ASME pressure vessels

**Process Control Equipment**

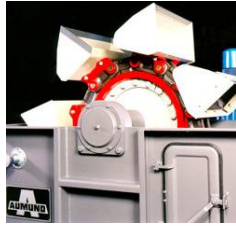

- In-line continuous real-time measurement
- Color, chemical composition, thickness of sheet/coatings for the plastics, chemical, food, paint, inks, environmental or pharmaceutical industries

**Sanitary Food Handling Processing**

- Homogeneous belt conveyors
- Wire mesh conveyors
- Box/hopper dumpers & tippers
- AIM merge-sort-switch
- Tabletop chain conveyors

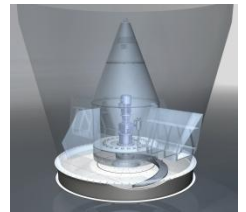

**Bulk Material Handling and Feeding Solutions**

- Bucket elevators
- Apron/Pan Conveyors
- Drag Conveyors

- Rail Car Unloader
- Ship Loaders/Unloaders
- Auxiliary Equipment
- Rotary Dischargers

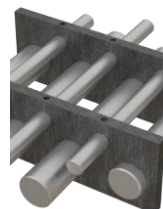

- Grab receiving hoppers
- Stackers / Reclaimers
- Stockpile Management Systems
- Truck Unloading

- Shafted screw conveyors
- Shaftless screw conveyors
- Belt Conveyors
- Vertical screw conveyors
- Heat transfer screw processors
- Bucket elevators

- Horizontal & vertical batch blenders
- Continuous blenders
- Bucket elevators
- Distributors
- Ribbon & paddle mixers

- Dryers
- Dessicant Dehumidifiers
- Magnets
- Grinders
