

Bulk Material Handling and Feeding Solutions

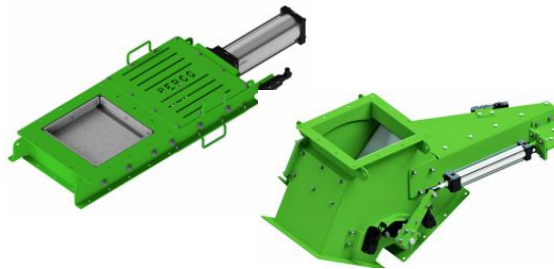

Feeding Technology

- Volumetric feeders
- Gravimetric feeders
- Weigh belt feeders
- Liquid feeders
- Strand pelletizers

Pneumatic Conveying

- Continuous systems
- Vacuum sequencing
- Rotary valves
- Filter receivers
- Hopper & bins
- Dilute & dense phase

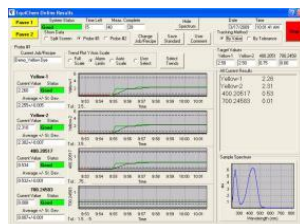

- Slide gates
- Rolling blade gates
- Diverters - single, double, bucket, basket,...
- Dustless loading spouts & chutes
- Clamshell single & duplex gates
- Fluidized conveyors
- Dust suppression

- Bulk bag unloaders
- Bulk bag fillers
- Flexible screw conveyors

- Welded silos
- Storage tanks
- Hoppers
- ASME pressure vessels

Process Control Equipment

- In-line continuous real-time measurement
- Color, chemical composition, thickness of sheet/coatings for the plastics, chemical, food, paint, inks, environmental or pharmaceutical industries

Bulk Material Handling and Feeding Solutions

Sanitary Food Handling Processing

- Homogeneous belt conveyors
- Wire mesh conveyors
- Box/hopper dumpers & tippers
- AIM merge-sort-switch
- Tabletop chain conveyors

- Tubing and piping
- Couplings
- Elbows
- Adapters
- Reducers

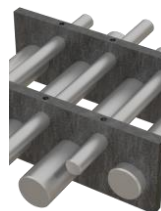

- Intermediate Bulk Containers (IBCs)
- Cone Valves
- Discharger Valves
- Tumble Blenders

- Shafted screw conveyors
- Shaftless screw conveyors
- Belt Conveyors
- Vertical screw conveyors
- Heat transfer screw processors
- Bucket elevators

- Horizontal & vertical batch blenders
- Continuous blenders
- Bucket elevators
- Distributors
- Ribbon & paddle mixers

- Dryers
- Desiccant Dehumidifiers
- Magnets
- Grinders
